ELECTION TIME !

With the Council's Annual Meeting in April now "registering on our screens," Our bylaws remind us that that a slate of nominees for the various positions on the PRNC Board be presented to the Council at its March meeting. Our current officers have served through their terms, sometimes in vexed circumstances or with shifting responsibilities but now it is time for other people to step up. All of the serving officers either are "termed-out" or find that other interests require their full attention. None will seek re-election. The Council will need a full slate of nominees.

A nominating committee has been selected to provide nominations for presentation at the PRNC's March meeting. Committee members are:

Bruce Beyaert
Shirley Butt
Angela Hinckley
Bonnie Satre-Daley
A representative from Point San Pablo Yacht Harbor
Don Woodrow

If you know of someone the committee should consider or if you want to put your name forward, please contact any committee member. Rest assured that any such message to Don Woodrow (510-234-3107 or cardonwoodr@comcast.net) will be brought to the Committee's attention.

Service on the PRNC Board is honorific and it provides a window both on our community and on the City of Richmond. PRNC Board service offers an effective way to help better the community through neighborly actions and through cooperative efforts with other groups.

If you are asked to stand as a nominee, please consider the request carefully.

YOUR COMMUNITY NEEDS YOU.
