

Howdy Neighbor...

July's Meeting is **Wednesday, July 30th, at 7:30 pm** via the Zoom link provided below.

National Night Out

National Night Out is around the corner and promises to be a great time to meet and greet your neighbors. Join us in the Town Triangle for a picnic for Point Richmond Residents (please bring your ID so we know you live in the Point), a kids' zone, music and dancing, and sharing concerns and ideas.

We are the kickoff neighborhood this year, so there will be quite a celebration at 5 pm.

We are keeping it local this year, so we won't be advertising citywide, ... nor should you!

We hope to see the neighbors and Point Richmond businesses and organizations in attendance.

When: Tuesday, August 5th, from 4:30 to 7 pm

Where: Downtown Point Richmond (the Town Triangle)

Garden Renovation

The **Westside Women's Improvement Club** and the PRNC have completed the first phase of the garden renovation, with financial support from the **Gateway Foundation, Phillips 66, Chevron, Republic Services, Veolia, and Sims Metal.**

We are hoping to continue work through the fall to complete the project.

July's Guests

At this month's PRNC General Membership Meeting, we will hear from **Miriam Torres** from the **Bay Area Air Quality Management District** and **Tania Pulido** from county supervisor **John Gioia's office.** Supervisor Gioia hopes to attend, as well.

They will be discussing the settlement from Chevron and the funds available to affected communities, which includes Point Richmond. There are many hands reaching for this funding, and as one of those neighborhoods in the shadow of the refinery, we must remain vigilant to get our share.

Reminder: The PRNC will take our summer break in August, so there will be no meeting next month. Enjoy the rest of your summer!

We look forward to seeing you on Wednesday, July 30th at 7:30 pm for our July PRNC General Meeting via the magic of Zoom.

Philip Rosenthal

President – Point Richmond Neighborhood Council

The PRNC and LUDRC are advisory-only capacity and cannot approve or deny anything beyond "Recommendations for Development" to the City of Richmond. Our role is to mitigate conflict at the local level.
